

PICTON POWER LINES PTY LIMITED

Excellence in Underground and Overhead Electrical Design and Construction

ELECTRICAL LINEWORKER

A position exists at our Tahmoor depot for a skilled overhead Electrical Lineworker with the following:

- Posses a current (MR) drivers license and a positive attitude toward road safety;
- Posses OH&S Construction Safety Card;
- Posses current Work Cover tickets including EPV and Fork Lift;
- Be physically healthy and keen to work in an outdoor environment;
- Posses a positive and safe work ethic;
- Posses a desire to be part of a self directed multi skilled work team.

In addition the applicant will ideally hold qualifications as an 'Access Permit Receiver'.

Remuneration will be based on an amicable Work Place Agreement.
